Olympic Highlights

Our very own Legacy Olympic Games were a huge success! Inspired by the spirit of the Olympic Games, residents brought their competitive energy and team pride to every event.

Volleyball- We kicked off the week with vigorous volleys and lots of fun!

Bowling- Together, we rolled into an exciting game of bowling with strikes, spares and trick shots.

Hockey-Pool noodles were flying as cheers were made with each goal.

Shooting Gallery-It was evident that we have a squad of sharp shooters!

Basketball-Our dunking dreams became a reality as we made Michael Jordan jealous with all of the talent in our building.

Medals were proudly awarded to our champions, but the real victory was the encouragement, laughter, and sportsmanship shared by all.

Pet Therapy Spotlight *Aspen*

Aspen is our beloved Pet Therapy Dog!. Aspen's owner is Ann Frank. Ann and Aspen visit our residents a few times a month which brings great joy to residents, staff and visitors. Aspen is a Black Mouth Cur who has the sweetest demeanor. Check out our calendar to see when Aspen is coming this month!

Staff Feature *Amy, LPN*

Meet Amy, LPN. Amy comes to our Community with 30 years of healthcare experience working with the elderly. Amy is passionate about making a positive impact on the residents. Amy has 3 children: two adult sons and a teenage daughter. Outside of work, Amy enjoys spending time with her family and her little dog, Bob Barker.

Welcome Amy!

Tip of The Month

Comfort Comes From Consistency

As Winter lingers and Spring begins to emerge, small routines can bring a powerful sense of comfort and calm. Regular mealtimes, gentle movement, social connection, and familiar daily rhythms help support both physical health and emotional well-being.

Consistency creates a feeling of being cared for, even during seasonal transitions. Whether it's enjoying a favorite activity, sharing a warm drink with others, or keeping a steady routine, these moments build peace of mind and stability. At The Legacy at Noel Manor, we focus on creating environments where comfort, care and connection are part of everyday life.
