Irish Trivia Night Highlights

We chased the rainbow to a great evening of Irish fun during our Irish Trivia Night. The evening was filled with laughter, friendly competition, and plenty of St. Patrick's Day spirit. Everyone tested their knowledge with trivia questions about Irish history, culture and famous traditions. To make the evening even more festive, everyone enjoyed delicious Irish-inspired treats and themed drinks while cheering each other on. The room was filled with smiles, great conversation and a lot of impressive trivia knowledge.

Resident Feature
Diane Frye

Diane grew up on a farm in Waunakee, Wisconsin with 6 sisters and 4 brothers. There was always something and someone to stay busy with. Diane moved to the Noel Manor January 2025 and continues to stay busy with activities. You can often find Diane in our library tidying up magazines, books and games. She enjoys jigsaw puzzles, exercise class, bingo, rummikub, photography, crochet and cross stitch. We are so grateful for Diane being part of our Community.

Staff Feature
Lucas, Culinary Director

My name is Lucas and I am the Culinary Director for Noel Manor and Noel Manor-Legacy. I have had the privilege to work here for 2 years and plan to continue to serve delicious meals to the wonderful people. I have always had a passion for food service, and have worked in service for almost 25 years. When I am not at my high energy pace at work, I like to slow down and relax at home. I enjoy playing my favorite computer game, World Warcraft, and watch nature and space documentaries. I may crack a Coors Light or two if I go to a local meat raffle. Thank you for giving me this opportunity to give back to our Community.

Tip of The Month

Life in Full Bloom

Spring is a natural reminder that growth doesn't have to be dramatic to be meaningful.

As the days get longer and routines gently shift, wellness can look like small, steady habits—enjoying fresh air, staying hydrated, moving in ways that feel comfortable, and making time for connection.

At Noel Manor, we believe thriving in every season starts with consistency, encouragement and support. As life moves into full bloom, we continue focusing on what helps each person feel balanced, engaged, and at home.
