Cinco de Mayo Highlights

What a fiesta! Our Cinco de Mayo celebration was a hit! We enjoyed festive treats, trivia, and the classic game of pin the tail on the donkey. A wonderful afternoon filled with smiles, connection and celebration!

Music with Mom Highlights

Our beautiful celebration of mothers was filled with sweet sounds of piano music, great company and the aroma of fresh flowers. Moments like these remind us how special it is to honor the love, strength, and memories of motherhood.

Resident Feature- Helen D.

This month we are shining the spotlight on Helen: Helen grew up in Middleton and fondly remembers always “finding a little trouble to get into.”

In 1953, Helen studied at UW-Stout where she soon met a fellow freshman, Dick. Four years later, Helen and Dick married, beginning a beautiful life together. While Dick was stationed in Alaska, Helen continued her education and later began her teaching career in Chippewa Falls. Helen and Dick have three children, along with many grandchildren and great-grandchildren.

Helen has always had a love for travel, exploring new places, and especially camping.

You will often find Helen participating in games, enjoying bingo and music, and always ready for a good conversation.

Staff Feature- Clare Peterson

This month, we highlight the brains behind all of the wonderful desserts here at Noel Manor- Clare.

During her time here, she has created countless desserts for us all to enjoy. Clare loves to hear the stories and memories that come to life when residents enjoy her desserts. She especially enjoys when residents share treasured recipes from their own recipe boxes. In her spare time, Clare loves to create new recipes, hang with her dog Lucky, and forage.

“It is a true pleasure to bring out smiles from sugar”

Tip of The Month

Soak Up the Season:

June is the perfect time to make the most of the longer days and warm sunshine. Spending time outdoors is one of the simplest things we can do for our overall well-being. Whether it is enjoying your morning coffee outside, tending to a garden, or simply sitting in the sunshine for a few minutes, those moments add up in a big way.

This month, we encourage you to soak up the season. Let the warmth of summer energize you, lift your spirits, and remind you that life is truly in full bloom.
