## *Cinco de Mayo Highlights*

What a Fiesta! Our Cinco de Mayo celebration was filled with delicious food, great music by Cajun Spice Band, raffle basket fundraiser for Alzheimer's Association and great fun among our Community!

## *Music with Mom Highlights*

We celebrated Mother's Day with beautiful piano music by Richard Shaten. Special flowers were given to all of the incredible mothers who have filled our lives with love, strength, and grace. We thank all of the mothers who have given their time, effort, and love into raising their children.

## *Resident Feature*

### *Joan Fargo*

Joan was born in Lake Geneva and has spent much of life living throughout Southern Wisconsin. Growing up, Joan spent much of her time playing outdoors. With few opportunities for organized girls' sports at the time, she created her own fun through neighborhood kickball games and other outdoor activities. She is an active and social spirit who enjoys talking with others, meeting new people, while also appreciating taking time to herself. Joan enjoys reading, sewing, and has a lifelong passion for working on English and Irish antique samplers from the 1800's.

Joan is a proud mother of three children. She is blessed with nine grandchildren, nine great grandchildren, and one more on the way. Joan has made many friends at Noel Manor and stays connected through knitting group, exercise class, book club, and live music events.

## *Staff Feature*

### *Clare Peterson*

This month, we highlight the brains behind all of the wonderful desserts here at Noel Manor, Clare.

During her time here, she has created countless desserts for us all to enjoy. Clare loves to hear the stories and memories that come to life when residents enjoy her desserts. She especially enjoys when residents share treasured recipes from their own recipe boxes. In her spare time, Clare loves to create new recipes, hang with her dog Lucky, and forage. "It is a true pleasure to bring out smiles from sugar"

## *Tip of The Month*

### **Soak Up the Season:**

June is the perfect time to make the most of the longer days and warm sunshine. Spending time outdoors is one of the simplest things we can do for our overall well-being. Whether it is enjoying your morning coffee outside, tending to a garden, or simply sitting in the sunshine for a few minutes, those moments add up in a big way.

This month, we encourage you to soak up the season. Let the warmth of summer energize you, lift your spirits, and remind you that life is truly in full bloom.

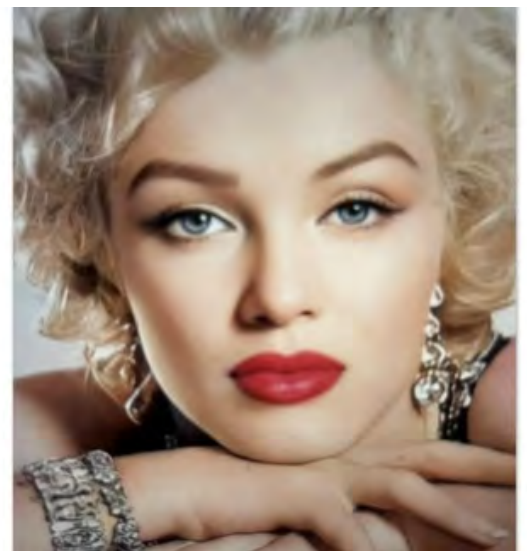

## *Pop culture and fun facts*

### **This Month in History:**
