Father's Day highlights

Root beer, baseball, and great company made for a wonderful afternoon. We enjoyed root beer while cheering on the Brewers and sharing stories of games, summer and favorite ballpark memories.

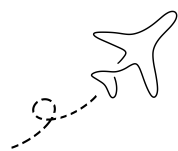

Thank you to all the fathers for your wisdom, strength, and memories you continue to share with us.

Planting Highlights

We had beautiful weather for planting on our patio. Residents enjoyed time on the patio planting flowers and herbs. Our culinary department is eager to use some of the fresh herbs in our meals!

Resident Feature *Joann*

Joann grew up in Edgerton, Wisconsin with a love for reading that stayed with her throughout the years. Joann married her soulmate, Jack, in 1950. Together they raised 3 beautiful children and are blessed with 7 grandchildren and 14 great-grandchildren! Jack and Joann spent many years dancing, playing bridge and traveling. We are so lucky to have Joann as part of our community.

Staff Feature *Jim*

Meet Jim, our transportation driver. Jim grew up in Orlando, Florida. Jim enjoys talking with all the residents and learning from them, especially history first-hand. Some of Jim's hobbies outside of work are: flying planes, bicycling, camping and eating Jambalaya. Jim recently received the collaboration award for the Heroes of the Hallway. Thank you, Jim for all you do for our community.

Tip of the Month

Make the Most of the Sunshine

Summer mornings are made for being outside, and a few small habits make them even better. Head out early in the day when the air is cooler, keep a glass of water close by, and don't underestimate the comfort of a shady spot and a wide-brimmed hat.

The sun is good for the spirit. A little planning means more porch conversations, more garden time, and more of the season everyone waits all year for.

Pop Culture and Fun Facts

July is named after Julius Caesar and features the “Dog Days of Summer.”

July is National Hot Dog Month. Americans are expected to enjoy 150 million hot dogs over the Fourth of July weekend.

The birthstone for July is the ruby and the birth-month bird is the eagle.
