Tip of the Month

Notice the moment, don't wait for the occasion. Joy often shows up in the ordinary: a laugh at the table, a familiar song, or a quiet conversation. This month, try starting one visit or meal with a simple question:

“What made you smile today?”

Pop Culture and Fun Facts

More U.S. presidents have been born in October than any other month!

October was known as “Winmonath” (wine month) in Old England due to the wine production at the time.

October's full moon, known as the “hunter's moon”, was named by the Algonquin people as it signaled hunting season before winter.

SEE YOU NEXT MONTH!
