Every step makes a difference

Family and friends gathered with residents to support a cause near and dear to us all. We all came together, despite the rain, and walked the halls of Legacy to raise awareness and support research!

Creativity is flowing!

Between beautiful floral arrangements, crafts, and art, we made sure to fill Legacy with color and creativity.

Welcome, New Resident Sherry

Staff Feature - Darrell Jensen

My name is Darrell Jensen. I have been working in kitchens my entire life. My best friend's parents opened a restaurant when I was quite young, and I never looked back. I have worked all over the country and spent many years working in ski resorts throughout the Rocky Mountains. I have been in Wisconsin for several years and really enjoy being here. It brings me a lot of joy to be able to cook at The Legacy at Noel Manor and meet and interact with so many great people.

Poem of the Month
by Mary Oliver

Song for Autumn

Don't you imagine the leaves dream now
how comfortable it will be to touch
the earth instead of the
nothingness of the air and the endless
freshets of wind? And don't you think
the trees, especially those with
mossy hollows, are beginning to look for

the birds that will come — six, a dozen — to sleep
inside their bodies? And don't you hear
the goldenrod whispering goodbye,
the everlasting being crowned with the first
tuffets of snow? The pond
stiffens and the white field over which
the fox runs so quickly brings out
its long blue shadows. The wind wags
its many tails. And in the evening
the piled firewood shifts a little,
longing to be on its way.

Tip of the Month

Warm Gratitude

November is a great time to send a thank-you note. Consider reaching out to someone you haven't spoken with in a while to let them know what they mean to you. A handwritten note only takes a few minutes, but it is something people truly appreciate and keep.

Pop Culture and Fun Facts

- November's full moon (November 24) is traditionally called the Beaver Moon, coming from the colonial era when this month was the time to set beaver traps before the swamps froze.

- November Folklore: "If there's ice in November that will bear a duck, there'll be nothing after but sludge and muck."

- There are two states that do not observe daylight saving time: Arizona (with the exception of the Navajo Nation) and Hawaii.
