Staff Feature - Darrell Jensen

My name is Darrell Jensen. I have been working in kitchens my entire life. My best friend's parents opened a restaurant when I was quite young, and I never looked back. I have worked all over the country and spent many years in ski resorts throughout the Rocky Mountains. I have been in Wisconsin for several years and really enjoy being here. It brings me a lot of joy to be able to cook at Noel Manor and meet and interact with so many great people.

Welcome New Residents

Noel Manor Highlights

Early voting had a great turnout. Thank you to everyone who exercised their right to vote! Here are some highlights of our facility, from our amazing culinary team to the beautiful patio arrangements created by one of our phenomenal residents.

Facility Updates

A resident directory will soon be kept in the library and updated monthly.

The garage has been cleaned out and power washed! Thank you for your assistance and support in removing vehicles.

We have relocated a reading assist device to the first-floor fireplace room. This machine magnifies any page and is available for all residents to use.

Instructions for use are located next to the machine. All flyers, calendars, and newsletters will be available next to the device for easy reading.

Tip of the Month

Warm Gratitude

November is a great time to send a thank-you note. Consider reaching out to someone you haven't spoken with in a while to let them know what they mean to you. A handwritten note only takes a few minutes, but it is something people truly appreciate and keep.

Pop Culture and Fun Facts

- November's full moon (November 24) is traditionally called the Beaver Moon, coming from the colonial era when this month was the time to set beaver traps before the swamps froze.

- November Folklore: "If there's ice in November that will bear a duck, there'll be nothing after but sludge and muck."

- There are two states that do not observe daylight saving time: Arizona (with the exception of the Navajo Nation) and Hawaii.

Dane County Library drops off large-print books each month. Everyone is welcome to borrow them. Please return books to the red bin in the Noel Library when finished!

Reminder to turn clocks back 1 hour on Nov. 1

SEE YOU NEXT MONTH!
